EPA 608 CERTIFICATION TRAINING

Stephen Johns, Lively Technical College HVAC instructor, provided EPA 608 Certification training throughout the state to Florida transit agencies during the months of June and July. Stephen conducted 23 sessions and provided training and testing to 88 technicians. Listed below are the technicians participating in these sessions.

If additional EPA 608 training is needed, please reach out and we can schedule on an individual basis.

Chris Porter, Valeo North America Service Manager, provided 3 Valeo HVAC training sessions to HART technicians.

HART technicians in attendance were Nic Cowood, Gary Polo, Trevor Spence, Stuart Chen, Nico Cordeso, Alex Valle, Adrian Toplyn, Robert Garraway, James Morris, Carlos Paulino, Fernando Ramos, Jehovany Cruz, Jeffrey Templin, Justin Torres and Larry Webb.

The Transition Immersion Leadership Experience (TILE) recently visited the LPIP program to learn about the training options available and more about how the LPIP operates. Tony Brandin and Ashley Porter were the FDOT contacts for the visit. Pictured above are Geanelly Reveron, FDOT District 2, Chris Stephenson, Indian River Transit, BJ Gavin, PSTA, Yili Affonso, Palm Tran, Stephanie Lewis, CUTR, and Ji Li, Suntran. Robert Westbrook, Big Bend Transit, was scheduled to be part of this group but missed due to illness.

Above: Todd O'Neal, LPIP instructor, provides Lift training to Rodney Murray, Port St Lucie, and Olando Thompson, Starmetro.

At Left: Johnathan Kile, Starmetro, and Richard Potinger, MV Transit, participate in the one-day Lift/Fogmaker LPIP session.

PSTA awarded the “Most Outstanding Public Transportation System in the Nation” by the American Public Transportation Association!

Congratulations!
