WABTEC Training

Mike Shannon, WABTEC, provided 4 training sessions for LPIIP in August. Mike offered sessions at Tallahassee Starmetro, ECAT, Gainesville RTS and Pasco County. Twenty-nine technicians participated in these door trainings.

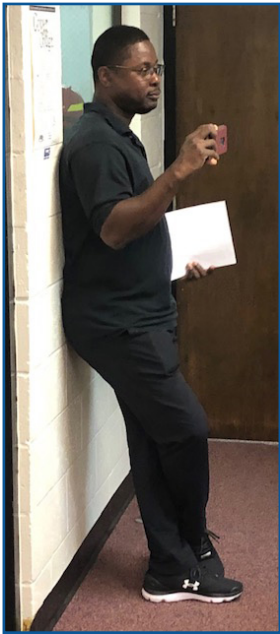

Technicians participating include James Godwin, Trevor Morea, Mike Johnson, Ethan Gurr, Dan Bolden, Casen Mundhenk, Jonathan Kile, Roderick Williams, Jeffery Robinson and Lloyd Hinds from Starmetro. Escambia County techs were James Scott, Charles Carr, David Bullock and David Alverson. Lee McMullen, James Raley, Hank Rodgers, Travis Legall, Joel Montes de Oca and Jonathan Schubert represented Gainesville RTS.

The Pasco session included technicians from HART as well as Pasco County. The Pasco training sessions participants were John Shriro, Heribelto Herrera, Scottie Riggs, Anthony Sagastume, Alex Wells, Rasim Eljaoui, Austin Scates and Bobby Gant.

Thanks to Mike for a job well done!

Franco Paganuzzi, United Safety Corporation/ Fogmaker sales representative, made a stop in Tallahassee recently. Franco visited Lively Technical College and had an opportunity to see the LPIIP program up close and personal.

At Left: Derryck Giles, District 5 Seniors First, attended a September Lift and Fogmaker LPIP session. Derryck is enrolled in the PM class later in the year. Derryck serves in the vehicle maintenance area at Seniors First with Dave Lawson.

At Right: Paratransit Technology III technicians Scott Groth and Michael Erdman, Votran, Michael Wimberly, Calhoun, and Sterling Brown, Liberty County, are shown participating in the Engine Rebuild class.

This group has one more class and they will have completed all of the Paratransit Technology courses.

Above: Trevor Morea, Casen Mundhenk, Spencer Martin, Tristan Foushee and Hairon Gil participate in the one-day Lift and Fogmaker session provided thru LPIP. Trevor and Casen are new Starmetro techs while Tristan and Spencer are relatively new in Walton County. Hairon is the Maintenance manager and technician at Marion County ARC.

At Left: LPIP instructor Todd O'Neal gets "down and dirty" in this September Lift session. Participating in this class were Hank Rodgers, Gainesville RTS, Johnathan Schubert, Gainesville RTS, Nathan Knowles, Promise in Brevard, and Roderick Williams, Starmetro.

DVOM certification is included in the Paratransit I Electrical class offered through LPIP. Dennis Baker, Hernando, is pictured at left, as he completes a class assignment.

At Right: Scottie Riggs, HART trainer, spent a week visiting the LPIP program and taking a few courses as well. Scottie had an opportunity to discuss training ideas with LPIP instructor Todd O'Neal and returned to HART Fogmaker certified, DVOM certified, Lift trained. He was a member of the Paratransit I PM class.
