Above: ECAT technicians participating in the FTTP Preventative Maintenance/ DVOM class are Cameron Bullard, Roberto Devlin and Stephen Mitchell. All three of these technicians have been with ECAT for less than one year.

Above: Morris Frick, SVTA, and Jonathan Kile, Starmetro, listen intently as Todd O'Neal, LPIP instructor, takes them through the DVOM class.

LPIP staff participated in a March vehicle maintenance Policies and Procedures Session with the Levin Jewish Residential and Family Service. Stephanie Best and Christopher Hotaling represented Levin Jewish in the meeting. The session provided ample opportunity for discussion and exchange of ideas relative to effective maintenance practices.

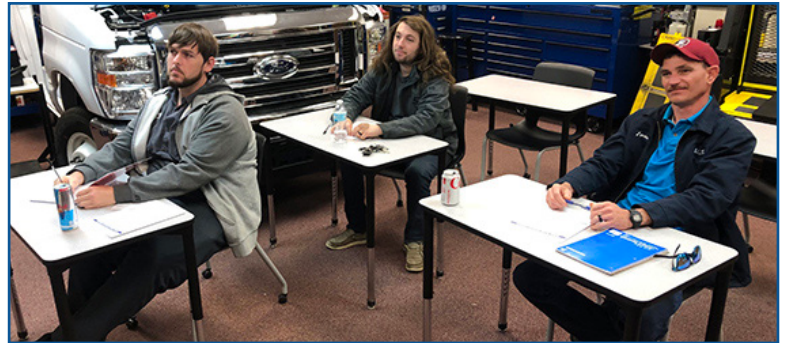

At Left: A SHOUT OUT to MORryde and Joe Carroll, Ryan Holmes and Jack Enfield for their support of the LPIP training program. This picture shows an installed system and training on operation, maintenance and repair has begun. This component is integrated into the LPIP Paratransit I Steering and Suspension class.

At Right: Butch Lister, owner of Lister's Auto Service in Palm Bay, participated in the one-day Braun lift training and Fogmaker certification class. Attending also were Butch's two sons, Jensen and Dereck. Lister's Automotive is now available to service nearby institutions in both of these areas.

Above: FTTP instructor Eddie Patane and LPIP instructor Todd O'Neal participate in a Lift U Train the Trainer session with Hogan Manufacturing trainer Tim Sweat. Thanks to Hogan Manufacturing, Tim and Jon Durham for their cooperation.

Above: Alex Wells, Pasco, Trevor Morea, Starmetro, and Jordan Brobston, SVTA, receive introductory remarks for a recent Paratransit I Electrical class.

Above: GoLine Maintenance Director Luis Garcia and technician Ricardo Ludo share a smile with the camera as they complete their Friday afternoon and begin to think about the weekend.

Above: Gainesville RTS technicians Travis Legall and David Delgado perform a hands on task in the LPIP Paratransit II Electrical class.

Starmetro technicians Logan Wisecup, Michael Allen, Orlando Thompson, James Godwin, Dereck Estabrook, Trevor Morea, Ethan Gurr, Jonathan Kile, Casen Mundhenk, Lloyd Hinds, Davis Hammond, Bryson Gilbert as well as Lively Technical College Diesel student, Mariah Sapp, attended the FTTP Lift U session recently conducted at the school.
