FDOT staff Tony Brandin and Lisa Stone recently conducted the annual FDOT inventory of items located at Lively Tech. Tony shared some LPIP training details with Lisa before moving on to another location.

PalmTran and Lively Tech reached an agreement for PalmTran to become a permanent training location for the FTTP program. Eddie Patane met recently with Darryl Ramkissoon and Chris Love, PalmTran maintenance staff, to discuss the details of the facility usage. Other PalmTran staff present were Thomas Payne, Jose Moreno and Hunter Bishop.

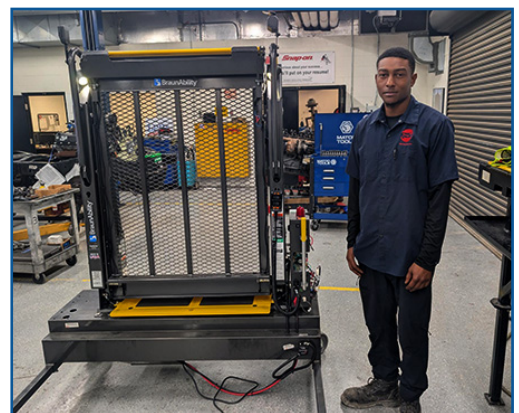

Brian Marzorati, Marion ARC, and Ty Hon, Donta Jimerson and Josh Bellinger from the Conklin Davis Center for the Visually Impaired in Daytona Beach, attended the one-day Lift and Fogmaker session offered through LPIP.

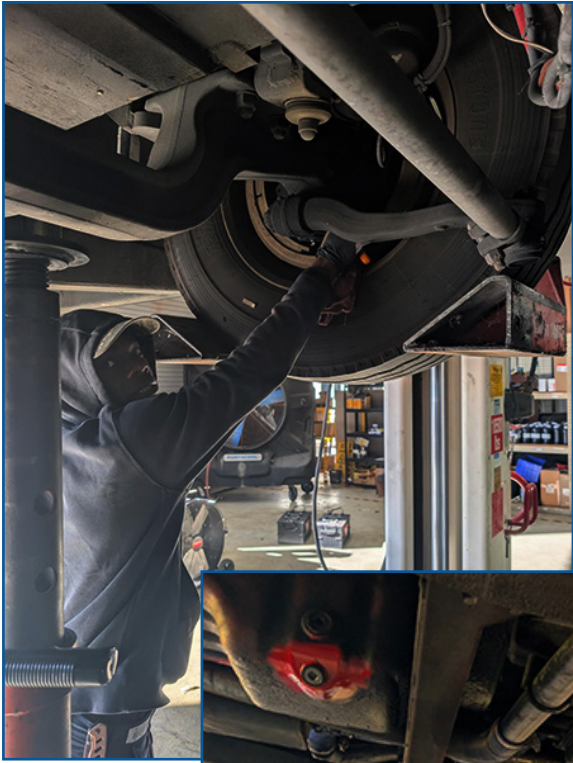

FTTP trainer Eddie Patane made a trip to F A Fleet in Margate recently and conducted an HVAC training session and also assisted the shop with an AC repair while there. F A Fleet staff involved during the day were Floyd Thompson, owner, Jabaree Foster and Steve Smith.

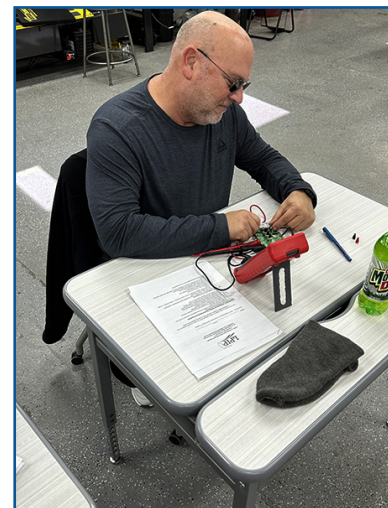

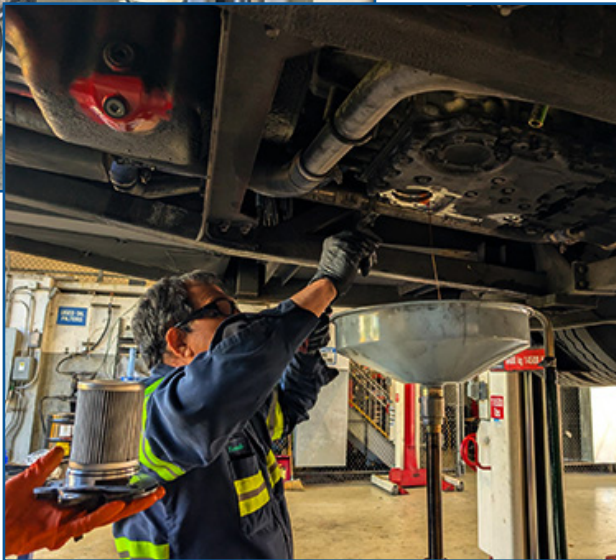

Stephen Wachtler and Dean Kirland-McMillan, CUTR and Roadeo coordinators, met with Lynx employees to begin preparation for the Roadeo on March 6th and 7th. Included in the meeting from Lynx were Aubrey Moses, Maintenance Director, and trainer Aaron Morgan. Brian Ruppert, CUTR, was also present.

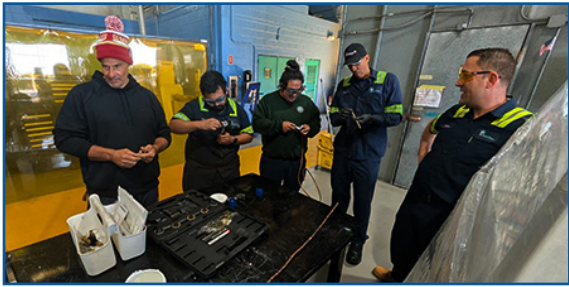

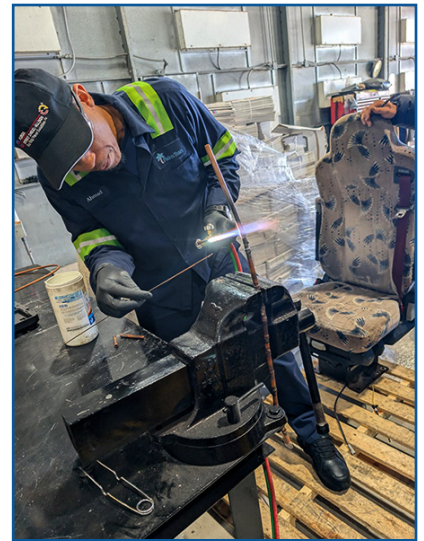

Kedric Wiley with Cox Automotive in Jacksonville attended the one-day Fogmaker and Lift class provided thru LPIP. Cox Automotive is a service provider for CMS Fleet in the northeastern part of Florida.

FTTP trainer Eddie Patane conducted training for Keolis in Fort Lauderdale during the month of January. Fernando Rauda, Roger Lyman and Forest Henley participated in the Diesel Engine/PM classes offered. Jose Guzman is the Keolis supervisor and is responsible for scheduling and arranging these sessions.

Todd O'Neal, LPIP instructor, conducts a demonstration during this Paratransit I Electrical class. Technicians in attendance were Tristan Foushee, Walton County, Dabner Rosario, Vero Beach GoLine, Nico Cordero, SVTA, Ethan Gurr, Starmetro, and Scott Ellegood, Gainesville. These technicians also received their DVOM certification during this session.

With the active support of Darryl Ramkissoon, Maintenance Director, and Thomas Payne, trainer, FTTP continues to provide a variety of training sessions for PalmTran. In the month of January Eddie Patane conducted an Air Brakes class as well as HVAC class for PalmTran technicians Ahmad Brewster, Andrey Amusin, Ernesto Hernandez, Jose Moreno, Naresh Sookraj, Roberto Gonzalez and Ulises Barreto.

MCAT participated in an Electrical class with technicians Oliver Clark, Robert Bonnell and Justin Kiepke in attendance. Supervisor Matt Davis also sat in on the class. DVOM training is included in these sessions.
