The Paratransit I Engine class was held in September with 4 Florida technicians in attendance. Those attending were Said Puentes, Citrus Connection, Greg Steiger, Bayway, and Rony Musones and James Raley from Gainesville RTS.

JACKSONVILLE TRANSPORTATION AUTHORITY

Arthur Watson, JTA trainer, scheduled Braun Lift training for five of their paratransit fleet technicians. LPIP provided a morning and afternoon session which included Anh T Le, Jarier Cabrera, Jesse Rawlings, Jonathan Possehl and Stevens Jean.

Eddie Patane, FTTP instructor, conducted a FR PM class at Gainesville RTS. The 4 technicians attending this session were Lee McMullen and Doug Fertig with RTS, Said Puentes, Citrus Connection, and Guesly Jacques, Suntran.

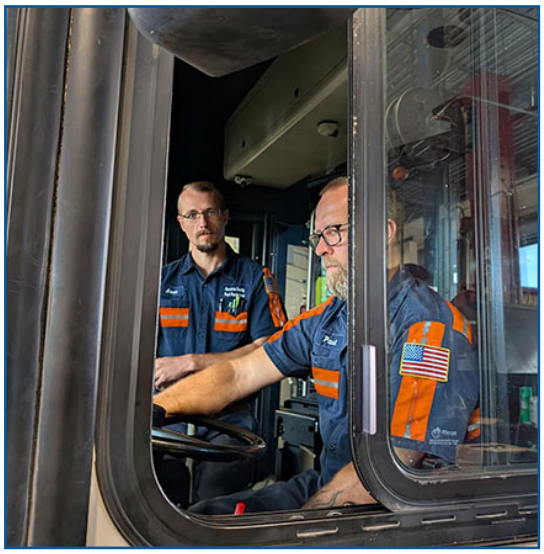

Daniel Soncrant, RTS, David Cedeno, Easterseals, Cody Struble, Citrus County and Oliver Clark, Manatee, attended the Paratransit II Air Brakes class conducted in September at Lively Tech.

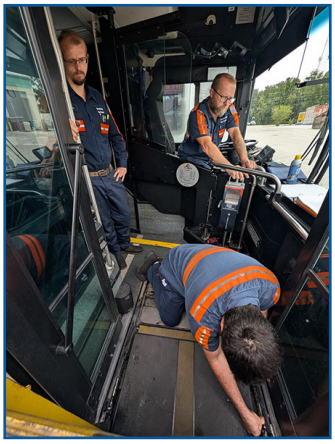

COUNCIL ON OCCUPATIONAL EDUCATION

Occupational Advisory Luncheon

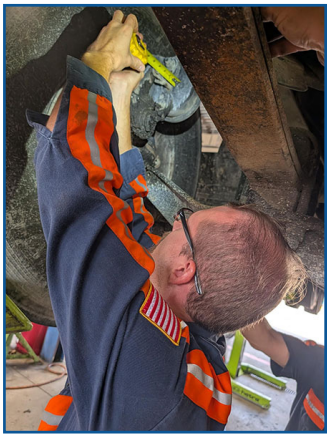

The Lively Technical College Occupational Advisory Luncheon took place on September 25th bringing together business leaders from across the region for a schoolwide engagement focused on strengthening program alignment with industry needs. During the luncheon, faculty and staff shared updates on current workforce programs, highlighted emerging training initiatives and gathered direct input from employers to ensure students are prepared for real-world expectations. Attending the luncheon supporting the Transit Technician program (LPIP training) were Tony Brandin and Gabe Matthews from the FDOT Central Office, Carlton Allen, TRIPS, Eddie Tyer, Starmetro, and Chris Ransom, Big Bend Transit. Todd O'Neal, LTC instructor and LPIP trainer, coordinated the session.

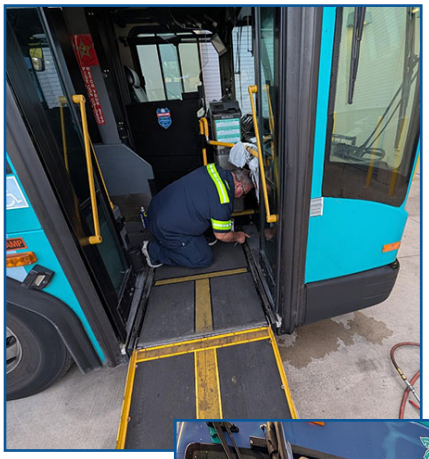

FTTP provided a PM class and a Lift U Ramp session to Hernando County during September. Aaron Klepec, Andrew Kynerd and Paul Mank were in attendance. Thanks to Doug Livermore, Director, for coordinating the training session.

FTTP provided a PM class and a Lift U Ramp session to two PalmTran technicians. The two techs in attendance were Carlos Ssierra and Robert Zajirer.
